

FRESH PRODUCE

## Excellent Opportunity in our Growing Team (Kent)

Our farm in Kent is 20 hectares of glasshouse and 15 hectares of outdoor crop, our production from this site has tripled in the last two years. For our operations to run smoothly, we have several key positions in our Growing Team. This season, we are currently recruiting for the following seasonal positions:

### Glasshouse Growing Team Operatives

We are looking for two Growing Team Operatives to join the existing Glasshouse Growing Team, where their main duties will consist of but will not be limited to:

- Glasshouse pesticide applications
- Co2 pipe repairs
- Irrigation repairs
- Misting system maintenance
- Light bulb replacement
- Fertilized mixing, monitoring Priva Rigs
- Sulphur pot maintenance
- Maintenance of glasshouse computer sensors

Ideally for this position you will be an existing colleagues of S&A who are interested in developing their skills.

We will consider the applicant who have the following skills:

- Understanding of verbal and written English (essential)
- The ability to work well with others
- Good organization and time management skills

Training will be given in all aspects of Growing Team Operation to the successful candidates.

This role is offered on Agricultural Workers Contract basis from February-October (subject to vary depending on the demands of work).

The current hourly rate of pay for this role is between £8.21 to £8.98 depending on experience.

To make an application, please contact Andy Rodway, Growing Manager [andy.rodway@sagroup.co.uk](mailto:andy.rodway@sagroup.co.uk) or Agniete Dada, HR Officer [agnietedada@sagroup.co.uk](mailto:agnietedada@sagroup.co.uk).

S&A Group is an Equal Opportunities Employer.
