Continue to raise the profile and drive the positive culture change of health, safety & environment (HS&E) within the business.

Main Responsibilities will include:

- Compliance & Legislation
- Risk Assessments & COSHH
- Audit & Inspection
- Information & Training
- Accident Investigation & prevention
- Administration

### Are you the ideal candidate?

The successful applicant will:

- Be proficient in Word & Excel
- Excellent communicator
- Identify new ways of working and proactively look for innovative ways of achieving the same desired outcomes within the rules and regulations identified within HS&E legislation.
- Collaborate and engage with colleagues in order to understand risk.
- Have a strong background in Administration
- Already process entry level skill & knowledge of HS&E
- Hold a Full UK Driving License
- The ability to travel to other sites when necessary (Wales & Kent)
- IOSH Managing Safely qualification (Desirable)

Our people are core to our business, and we are proud of providing a working environment that allows people to grow and develop in all areas of the business. The atmosphere at S&A is fast paced, exhilarating, and rewarding.

We offer a competitive salary, 33 days annual leave, pension contributions and scope to uncover your potential with a rapidly expanding, independent business.

In association with the benefit hub, we have also developed a retail shopping and voucher portal, where you will be able to enjoy discounts, rewards and perks on thousands of the brands you love.
