

Excellent Opportunity in our Human Resources Department

S&A Group is the UK's largest independent strawberry grower. The Group, which also has berry-growing operations overseas, uses modern and innovative growing techniques to drive and support its thriving year-round soft fruit import business.

We now have a new opportunity for a full-time, permanent position with the flexibility to be based at either Marden or Kent site.

Health, Safety & Environmental Coordinator

As a Health, Safety & Environmental Coordinator you will work closely with the Group Health, Safety & Environmental Manager to ensure the Company maintains all required certifications and is legally compliant in all its health, safety and environmental activities across the Group. Within your role, you will continue to raise the profile and drive the positive culture change of health, safety & environment (HS&E) within the Business.

Main duties and responsibilities will include:

- Compliance & Legislation - maintaining up to date awareness of H&S and Environmental legislation, industry standards & company policies; Providing guidance and advice to managers and colleagues.
- Risk Assessments & COSHH assessments– review, development and implementation.
- Audit & Inspection – auditing and reporting on internal HS&E management arrangements, identifying corrective & preventive actions along with opportunities for improvement.
- Communication, information & training – encouraging employee involvement in HS&E issues, lead group HS&E meetings to contribute to the formulation of Company policies, arranging/participating in training for established staff and providing the H&S induction training for new employees.

- Accident investigation & prevention – reviewing and maintaining effective accident reporting processes, encouraging proactive investigation of accidents to prevent recurrences.
- Administration – co-ordination, maintenance and administration of HS&E documentation.

Are you the ideal candidate?

The successful candidate will:

- Understand and convey information of a complex, conceptual and specialist nature; be able to explain such information using styles and media appropriate for the recipient.
- Have excellent communication skills.
- Have ability to identify new ways of working and proactively look for innovative ways of achieving the same desired outcomes within the rules and regulations identified within HS&E legislation.
- Collaborate and engage with colleagues in order to understand risks.
- Have a strong background in administration and be proficient Word & Excel.
- Already possess entry level skills & knowledge of HS&E.
- Hold a Full UK Driving Licence and be able to travel to other sites when necessary (Herefordshire, Wales, Kent).
- Have IOSH Managing / NEBOSH Gen qualifications (desirable).

We offer:

- Competitive salary
- 33 days annual leave
- Range of financial & wellbeing benefits
- Scope to uncover your potential with a rapidly expanding, independent business.

Please apply to: joannaskurakova@sagroup.co.uk and attach your up-to-date CV.
