Required criteria for the role:

- Health and Safety Qualification(s)
- HACCAP Qualification
- IOSH Qualification
- Forklift Certification
- Demonstrable compliance with all relevant statutes and codes of practise, policies and procedures
- Risk Assessment & Risk Management
- People Management
- Audit & Inspection Activity
- External Liaison
- Provision of adequate Training
- Operation of telescopic forklifts and electric pallet trucks

- Risk control systems (RCSs)

The successful applicant will need to hold a valid driving license as travel between our Marden and other S&A sites within the UK will be required.

Our people are core to our business and we are proud of providing a working environment that allows people to grow and develop in all areas of the business. The atmosphere at S&A is fast paced, exhilarating and rewarding.

We offer a competitive salary, 30 days annual leave, pension contributions and scope to uncover your potential with a rapidly expanding, independent business.
