

FRESH PRODUCE

Seasonal Opportunity within our Kent Packhouse

Quality Assurance (QA)

S&A Group is the UK's largest independent strawberry grower. The Group, which also has berry growing operations overseas and grows early UK asparagus, uses modern and innovative growing techniques to drive and support its thriving year-round soft fruit import business.

We are excited to offer two opportunities for the following **seasonal** vacancy based at our Hernhill Nursery site in Kent:

Quality Assurance (QA)

The role of a QA is an integral part of our business. The robust quality assurance system we have in place at S&A increases our customers confidence and credibility in our products.

The main purpose of QA's role is to assure the quality of the product in the packhouse and complete all relevant compliance related task whilst collaborating with site standards in line with the QA Manager's requests. As a QA you will guide and support the Operations team in terms of quality as well as you will be able to manage independently minor daily challenges.

Are you the Ideal Candidate?

- You will have great verbal and written English language and communication skills
- You will have great team-working skills
- You will have great computer skills (i.e. Microsoft Office)
- You will have an understanding of FMCG's
- You will have previous experience working in quality function ideally within fresh produce industry.

This job availability is for the following period: April – December, and it is under Agricultural Contract offering full-time working hours, however, start and finish times will vary and working weekends will be also required. The hourly pay rate for the role is £9.34/hour depending on experience. Successful candidates will receive full training.

Please apply by e-mail to agniete.dada@sagroup.co.uk and attach an up-to-date CV and confirmation that you have read our Candidate Privacy Notice, available on our website.

S&A Group is an Equal Opportunities Employer.
