

Excellent Opportunity in our Engineering Department

S&A Group is the UK's largest independent strawberry grower. The Group, which also has berry growing operations overseas and grows early UK asparagus, uses modern and innovative growing techniques to drive and support its thriving year-round soft fruit import business. Our principal customers include the major multiple food retailers.

We are excited to offer the opportunity for the following full-time, permanent vacancy within our Engineering/Maintenance department, based in Kent:

Site Engineering Manager

You will be responsible for the leadership, organization, control and development of the engineering team who are responsible for maintaining the plant, buildings and other facilities in an effective and safe manner, to assist the site in delivering business plans.

The main duties and responsibilities include:

- Maintenance of the site, ensuring that all facilities are maintained and in a fit working state;
- Maintenance of all company vehicles and machinery – ensuring that the site is covered for breakdown and all necessary items;
- Ensuring that the site is maintained and present to the highest standards (within set budgets);
- Ensuring that all the relevant HSE procedures are followed and adhered to by the Engineering Dept. team;
- Ability to work in a calm, controlled and effective manner in a fast-moving production environment

Are you the ideal candidate?

The successful applicant will be/have:

- Strong team player with experience at senior management level;
- Qualified engineer who will bring strong and broad based engineering/compliance management skills in relation to food operations to deliver in a hygienic environment;
- Primary focus on developing site performance improvement through share/innovation
- Excellent communication and people management skills
- Demonstratable engineering and electrical skills
- Excellent coaching and influencing skills

Our people are core to our business and we are proud of providing a working environment that allows people to grow and develop in all areas of the business. The atmosphere at S&A is fast paced, exhilarating and rewarding.

We offer a competitive salary, 33 days annual leave, pension contributions, exclusive high street vouchers via our benefit hub and scope to uncover your potential with a rapidly expanding, independent business.

A full Job Description is available upon request.
