

Excellent Opportunity in our Research & Development Department

S&A Group is the UK's largest independent strawberry grower. The Group, which also has berry growing operations overseas and grows early UK asparagus, uses modern and innovative growing techniques to drive and support its thriving year round soft fruit import business. Our principal customers include the major multiple food retailers.

Spray Operator – Temporary up to 4 months

The main purpose of the role is the application of agricultural pesticides in a safe and effective manner in line with crop spray schedules to control and eradicate plant pests, weeds and diseases such that expected crop yields are not adversely affected. The role would be suitable for a student looking for a summer placement or a candidate with the relevant qualifications looking to start immediately.

Applicants must possess Spray Certificates PA1 and PA6.

A full Job Description and Person Specification are available upon request.

Please apply either in writing to Jo Kennedy, Recruitment Coordinator, S&A Group, Brook Farm, Marden, Herefordshire HR1 3ET or by e-mail to vacancies@sagroup.co.uk and attach an up-to-date CV.

The closing date for applications is 16th June 2017.

S&A Group is an Equal Opportunities Employer
