

Excellent Opportunity in our Growing Department

S&A Group is the UK's largest independent strawberry grower.

The Group, which also has berry growing operations overseas and grows early UK asparagus, uses modern and innovative growing techniques to drive and support its thriving year-round soft fruit import business. Our principal customers include the major multiple food retailers.

Spray Operator

The main purpose of the role is the application of agricultural pesticides in a safe and effective manner in line with crop spray schedules to control and eradicate plant pests, weeds and diseases such that expected crop yields are not adversely affected. The role would be suitable for a candidate with the relevant qualifications looking to start immediately. Start and finish times may vary but the hours are regular. The successful applicant will need to hold a valid driving license as travel between our Marden and Leominster site is required.

Applicants must possess Spray Certificates PA1, PA6 and PA3.

A full Job Description and Person Specification are available upon request.

Please apply either in writing to Jo Kennedy, Recruitment Manager,
