- Be the Technical point of contact for 1-2 UK Retail accounts, following a handover period.
- Manage customer line details in conjunction with the commercial team to ensure production have up to date information in a timely manner.
- Assist with supplier approval and raw material compliance, ensuring specifications and food safety documentation are correct.

- Familiarity with complaint investigations, non-conformance management, and corrective actions.
- Maintain and organize technical documentation, test results, and records accurately.

#### The ideal candidate will have:

- Technical knowledge
- Food safety qualifications.
- Understanding of BRCGS or equivalent food safety standards.
- Quality Management training.
- Problem solving skills.
- Competence in Microsoft Office applications and technical reporting systems.
- Remain calm under pressure.

This is full-time, permanent position.

#### We offer:

- 33 days annual leave
- Company events
- Sick pay
- Range of financial & wellbeing benefits
- On-site parking and gym
